

NewBridge Services presents **FREE Fatal Vision® Goggles program!**

Fatal Vision Goggles simulate the visual sensation of being intoxicated. The wearer experiences the profound impact that drinking has on simple tasks, such as walking, writing, or throwing a ball.

Invite NewBridge, a nonprofit provider of behavioral health and education programs, to present this FREE program at your school or organization.

This program includes:

- ♦ Goggles
- ♦ Video
- ♦ Learning materials

This program is available to teachers, DARE officers, student assistance coordinators, scout leaders or other leaders who wish to educate young people about the dangerous effects of alcohol.

“Even though we were laughing at ourselves trying to catch a ball with the goggles on, we all realized how dangerous it would be if we really tried to drive in that condition.”

A student of the Fatal Vision Goggles program

**Try our NEW
binge-drinking goggles!**

**For more information, call NewBridge’s prevention department at (973) 839-2521, ext. 228.
Dates are filling up fast!**

*Helping People
Move Forward*

NewBridge Services, a nonprofit provider of behavioral health and education programs and services, is the only North Jersey lending site for Fatal Vision Goggles, under a grant from the New Jersey Division of Alcoholic Beverage Control. Learn more about NewBridge at www.newbridge.org.
