NewBridge Services' 16th annual golf outing - October 10

Registration has begun for NewBridge Services' 16th annual golf outing on Monday, October 10 at the Knoll Country Club in Parsippany. The event raises much needed financial support for vital community programs that benefit residents of Morris and Passaic counties.

Reservations are available for \$195 each or \$780 per foursome. The outing includes 18 holes of golf, cart rental, lunch, dinner, contests and prizes. Sponsorships are also available and range from \$125 tee sponsors to \$10,000 event sponsors.

"This fun and worthwhile

event gives golfers a chance to enjoy friendly competition while supporting programs that make a profound impact on people's lives," said golf outing chairperson Doug Cook.

The grand prize of the event's silent auction is a ski getaway at The Timbers Club, a luxury private residence club in Snowmass Village, Colorado - a \$12,000 value. Bidding on the weeklong stay at the elegant three-bedroom condominium, which sleeps up to six people, starts at \$2,500 and is open to the public.

Sponsors of this year's golf outing include an anonymous \$10,000 donor, PNC Bank (\$5,000) and PSE&G (\$2,000). For more information on sponsorships or to register golfers, visit www.newbridge.org or call Nina McCormack, NewBridge's chief development and marketing officer, at (973) 839-2521, ext. 2246
