Golf outing to help residents in need

PARSIPPANY

The event is nearly two months away, but golfers are already preparing to tee up for NewBridge Services' 14th annual Golf Outing.

Registration is now open for the outing, slated for Monday, Oct. 12 at the Knoll Country Club in Parsippany. The event will feature 18 holes of golf, cart rental, lunch and dinner. There will also be contests, prizes and a silent auction. Reservations are available for \$195 per golfer or \$780 per foursome. Sponsorships are available from \$125 tee sponsors to \$10,000 event sponsors. Funds raised will be used for community programs for residents of Morris and Passaic counties.

NewBridge is a nonprofit com-

munity organization aimed at helping people find balance in their lives. Founded in 1963, the organization provides behavioral health, mental health and education programs in the areas of counseling services and addiction recovery. It also offers housing programs, youth programs and senior services.

"This fun and worthwhile event gives golfers a chance to enjoy friendly competition while supporting programs that make a profound impact on people's lives," said Doug Cook, golf outing chairperson.

For more information or to register, visit newbridge.org or call Nina McCormack, director of development and marketing, NewBridge, at (973) 686-2246.
